# Dusit Thani Bangkok reopens 27 September

Dusit International's reimagined flagship Dusit Thani Bangkok hotel will officially open to guests on 27 September 2024, signalling an exciting new chapter for the hotel group in Thailand and overseas.

Completely rebuilt from the ground up as part of the Dusit Central Park mixed-use development, the new Dusit Thani Bangkok pays homage to its 50-year legacy while setting a new standard for luxury hospitality.

To complete this luxurious sanctuary, the new hotel features just 257 guest rooms — a thoughtful reduction from its predecessor's 517, prioritising spaciousness. These exquisite rooms, starting at an impressive 50 sqm, were designed by André Fu Studio to blend traditional elegance with modern luxury while uniquely framing the expansive park views beyond.

All of its luxurious guest rooms boast uninterrupted views of Lumpini Park. Elegant, cantilevered window seats extend from each guest room, inviting guests to immerse themselves in the stunning panorama.

In addition to the luxurious rooms, the new Dusit Thani Bangkok boasts a unique urban wellness concept that delivers well-being experiences beyond the spa and ten restaurants and bars created

in collaboration with renowned chefs and mixologists.

The hotel boasts over 5,000 sqm of dedicated meeting and event space for business travellers and event planners. The centrepiece is one of Bangkok's largest grand ballrooms, featuring a dramatic eight-metre ceiling and a panoramic view of Lumpini

Park. Additional meeting spaces cater to both intimate gatherings and large-scale events.

Additional elements of Dusit Central Park, including ultra-luxury residences (Dusit Residences and Dusit Parkside), a state-of-the-art office tower, a high-end retail centre, and an 11,200 sq m Roof Park, are all slated to open in 2025

### ***Honouring a legacy***

Dusit International Group CEO Suphajee Suthumpun emphasised the company's commitment to merging contemporary trends with the timeless spirit of the original Dusit Thani Bangkok, which was the city's tallest, grandest building when it first opened in 1970.

"For over five decades, the original Dusit Thani Bangkok was a beloved landmark, a true ambassador of Thai hospitality for global travellers," said Suthumpun. "As we embarked on its reimagining, we were committed to honouring that legacy while exceeding the expectations of today's sophisticated guests. This meant meticulously preserving elements of the original hotel and seamlessly blending them with a fresh, modern design. Throughout this process, we stayed true to the vision of Dusit's founder, Thanpuying Chanut Piyaoui, and owner, Mr Chanin Donovanik, to showcase Thai culture, art, and gracious service in a way that resonates with contemporary travellers and adapts to evolving preferences. Sustainability

remains a core focus for Dusit, and this commitment is also reflected in the new hotel's design and operations. Ultimately, we aim to deliver an unparalleled guest experience while preserving the warmth and service that have always been synonymous with the Dusit Thani name."

The reimagined Dusit Thani Bangkok goes beyond design to celebrate its heritage. The original hotel's iconic golden spire, a beloved landmark, has returned and is now contained within a new, three-times-larger spire. Guests can also admire paintings and murals from the original hotel's Benjarong Thai Restaurant, including the restaurant's meticulously preserved main pillars, which were carefully removed and reinstalled in the new hotel's main lobby. The intricate carved teak ceiling from the same restaurant has also been meticulously reassembled, giving new life to the hotel's heritage.

There is no other building like it in Bangkok. Inside and out, it is instantly recognisable as the Dusit Thani Bangkok. With just 16 days to go, the countdown to its reawakening begins.

### ***An Icon Returns: Opening Offer***

Reservations opened on 1 May 2024, and bookings for the opening offer will close on 31 October 2024. The stay period runs from 27 September 2024 to 31 March 2025. Rates start at THB10,350, excluding service and tax. (THB12,182 inclusive).

The opening offer includes a hotel credit of THB2,700 net per night for dining and spa services.

# Centara Mirage confirms opening date

Centara Hotels & Resorts, Thailand's leading hotel operator, confirms that 1 November 2024 is the official opening date of Centara Mirage Lagoon Maldives.

This stunning underwater world-themed paradise represents a major milestone in the company's expansion plans. It marks Centara's third property to open in the Maldives and the fourth resort in the group's portfolio under the renowned family-focused Mirage brand.

Situated within The Atollia by Centara Hotels & Resorts, a multi-island wonderland which grants guests unprecedented access to two Centara properties (Centara Grand Lagoon Maldives will open in early 2025 as the brand's fourth Maldives outpost), the resort offers boundless family fun, engaging activities and unique bonding moments amidst its captivating

theme. From its expansive outdoor water complex, including a lazy river, swimming pool, kids' pool, and water playground, to the exciting kids' club, innovative child-focused Candy Spa, and the acclaimed signature Spa Cenvaree, Centara Mirage Lagoon Maldives is designed to deliver an unforgettable experience for guests of all ages.

The opening of Centara Mirage Lagoon Maldives is part of the company's "Future Growth" strategy, which was announced earlier this year. With construction now

complete, the final flourishes and finishing touches are being applied so guests can soon be welcomed in Centara's inimitable warm and gracious style. This stunning resort underscores the company's commitment to expanding its family-focused hospitality offerings and delivering world-class experiences in key travel destinations.

You can be among the first visitors to experience Centara Mirage Lagoon Maldives. Centara is offering guests special introductory rates, complimentary stays and

meals for up to two children aged 15 and under, and free roundtrip speedboat transfers between Male airport and the resort. CentaraThe1 members will also enjoy an additional 15% discount.

This exclusive 'Me & Centara' offer runs from now until 20 December 2024 for stays between 1 November 2024 and 31 October 2025. However, any guests who complete their stay by 20 December of this year will receive a voucher to enjoy a complimentary return stay of the same duration between May and September next year.

The recent Miss World Beauty With A Purpose Tour concluded an impactful visit to Sabah, leaving an indelible mark on the community and significantly promoting Sabah tourism.

The initiative, led by Julia Morley CBE, CEO and Chairman of the Miss World Organisation, and Sean Wong, CEO of HyperLive Entertainment, featured the reigning Miss World 2024 Krystyna Pyszkova from the Czech Republic and Miss World Malaysia 2023 Saroop Roshi. They successfully highlighted the mission of Beauty With A Purpose while showcasing Sabah's natural beauty and cultural richness.

During its stay in Sabah, the Miss World team engaged in activities to make a positive difference in the lives of Sabah's residents by raising global awareness about the region's unique attractions.

One of the key highlights of the tour was the 'Sail Malaysia Tuaran Beach Cleaning' event, which Datuk Joniston Bangkuai, Assistant Minister of Tourism, Culture, and Environment Sabah and Chairman of the Sabah Tourism Board, attended.

Volunteers led by Tuaran Rally of Sail Malaysia and teams from Shangri-la Rasa Ria Resort, MOEA, and Discover Sabah Digital collected 402 kg of rubbish, showcasing a solid commitment to preserving Sabah's pristine coastline.

The Miss World team, alongside the 2024 Unduk Ngadau Kaamatan (UNK) winners and the UNK national committees led by Tindarama Joanna Datuk Kitingan, provided crucial disaster relief packages and assisted with home clean-up efforts for flood-affected homes in Kg. Pogunon. This initiative was supported by

generous contributions from Discover Sabah Digital, Media Works Solutions, Everrise Supermarket, and Bataras Sdn Bhd, with the H3ROS 4x4 Club Sabah ensuring timely aid delivery. The Miss World Malaysia Organization has also pledged to raise MYR30,000 to support the affected families.

In their ongoing efforts to promote environmental sustainability, the Miss World team planted trees in collaboration with Kota Kinabalu City Hall (DBKK).

The Ministry of Tourism, Culture, and Environment Sabah, under the leadership of Minister YB Datuk Christina Liew, supported the Miss World team's five-day visit, acknowledging its importance in promoting Sabah and advancing meaningful social causes. The Miss World team's activities and efforts will be featured in the 'Beauty With A Purpose' documentary, highlighting the region's warm-hearted residents, stunning landscapes, and rich cultural heritage.
